

# 2020 Back Cove 340

Boat Type: Downeast

Address: On Order, ME, US

Price: [Upon Request](#)

## OVERVIEW

Back Cove Yachts introduces the brand new 340, powered by a pair of Yamaha 300's, with optional 350 hp Yamaha or Suzuki's. The entirely new hull fitted with standard bow thruster and designed specifically for outboard propulsion offers cruise and top end speeds approximately 10 knots faster than the traditional single diesel Back Cove. This cockpit is meant for entertaining with an aft facing seat that converts into a helm deck U-shaped dinette or second berth. The standard 5kw diesel generator and cabin A/C below deck coupled with the spacious island berth, separate head and shower remind us that this Back Cove is still intended for cruising.

Available for delivery in August of 2019.

Contact our office for more information.

# SPECIFICATIONS

## Basic Information

Manufacturer:	Back Cove	Vessel Name:	
Model:	340	Boat Type:	Downeast
Year:	2020	Hull Material:	Fiberglass
